BRIGHT SERIES

璀璨系列

Bright series is an open sesame of AGO to try cross-border areas.

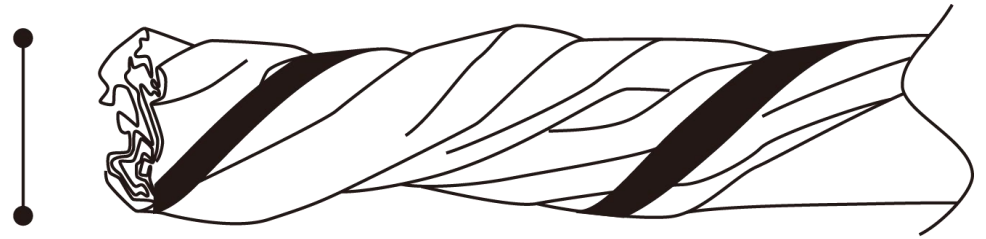

Breaking the limitations of traditional rattan-like weaving materials, The two materials of completely different fields and different textures are combined using the existing craftsmanship. The rough kraft paper is used as the background, and the gold and silver ribbons glitter on it, reflecting the dazzling brilliance in the light. This collection is highly decorative, especially suitable for the decoration of festive products, adding a festive atmosphere.
