# 46-A PREFERRED SERIES

46-A 优选系列

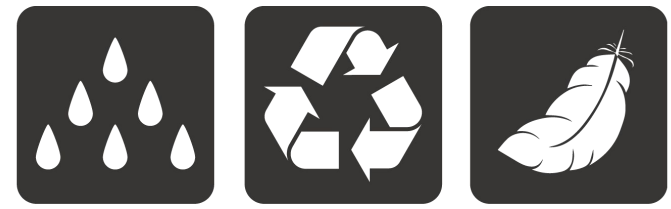

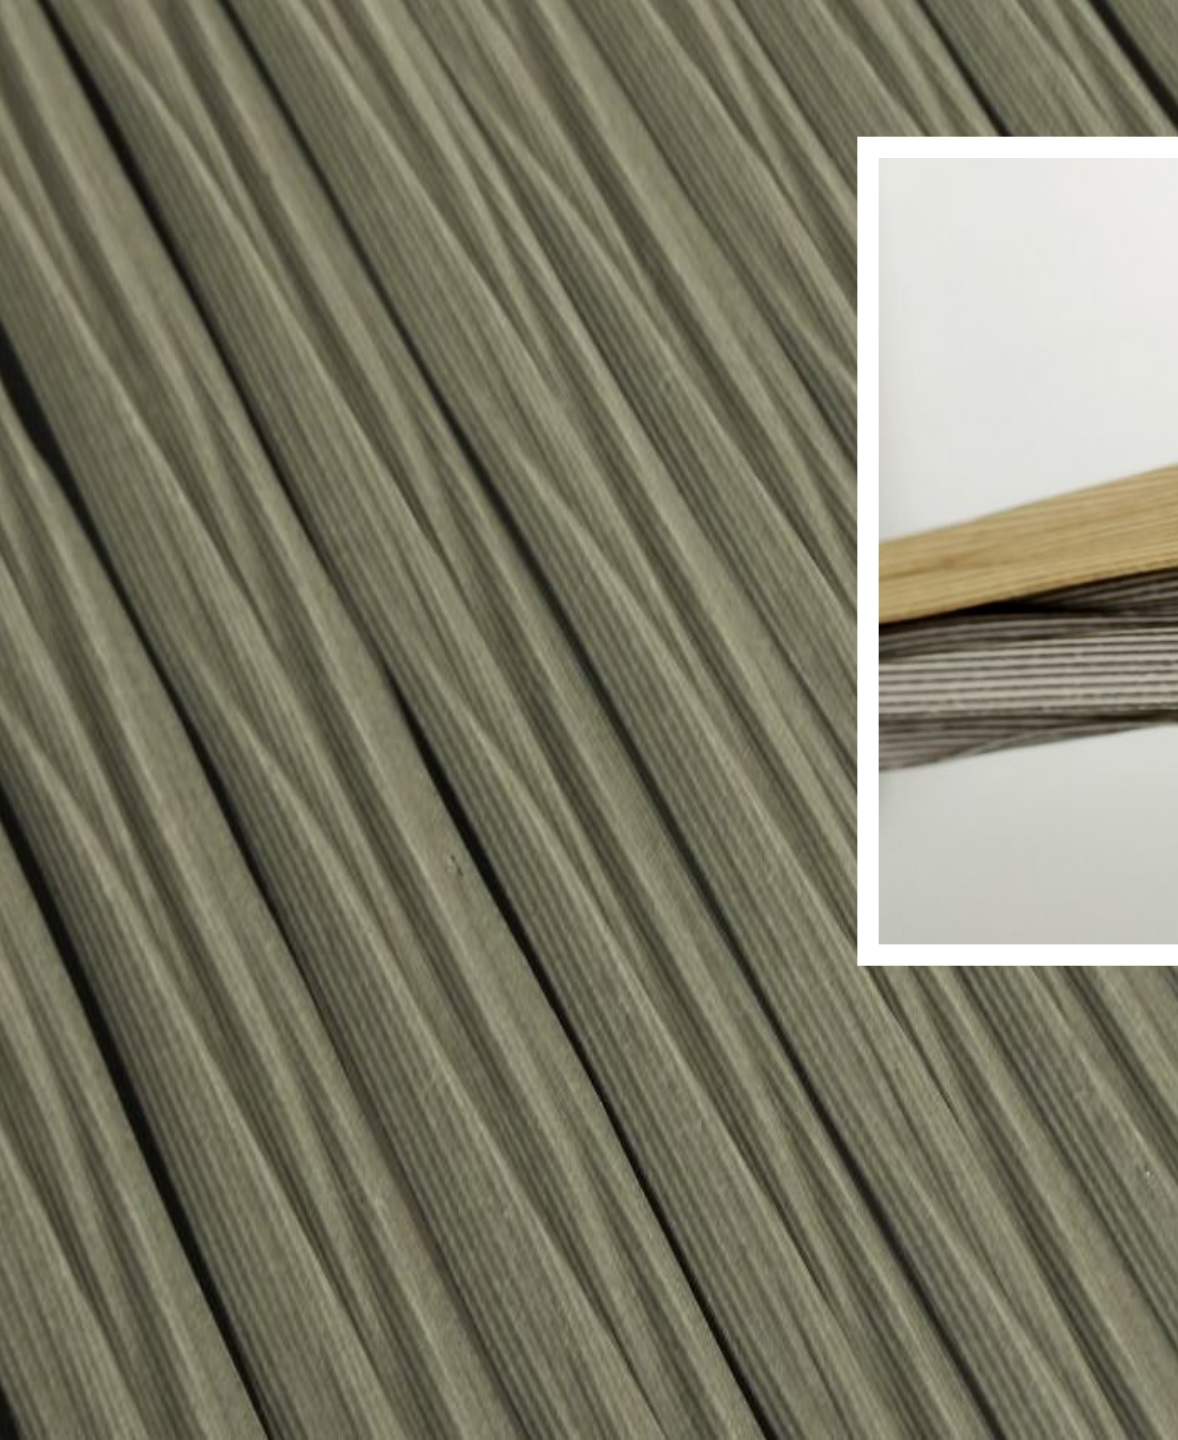

The Preferred Series, as the name suggests, is selected on the merits. Select the most classic and hot-selling products of AGO, start from the materials and processes, do the best cost performance, small profits and quick turnover, and occupy the market.

At present, the series is still selected as the classic series of AGO-Magic Leaf W. In terms of color, in addition to the most classic gray, yellow, brown, and black four colors, three low-saturation colors have been added, with a matte texture, and a visual sense of immediacy on the cloth.

As the series adapts to the market, it will gradually grow to cater to the needs of more customers.
